

EC 327: BU MAPP INTERACTIVE MAP OF BOSTON UNIVERSITY

Mohammad Hashem, Mena Barakat, Berke Alsancak, Fredrick Akiki, Joe Karam

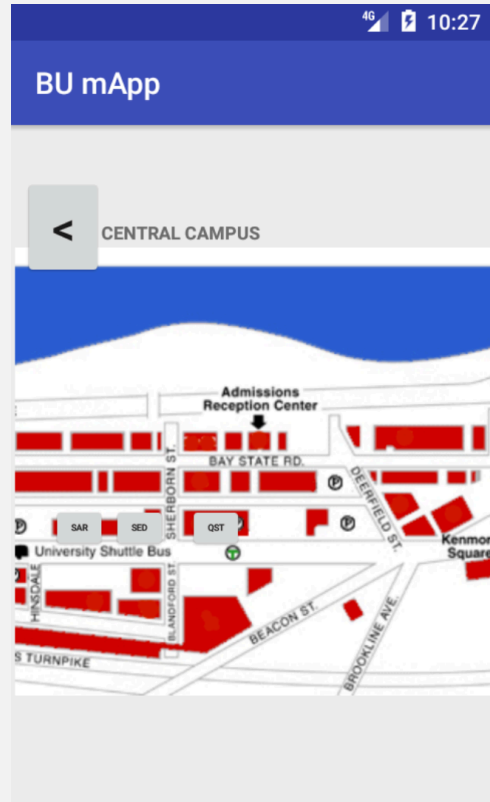

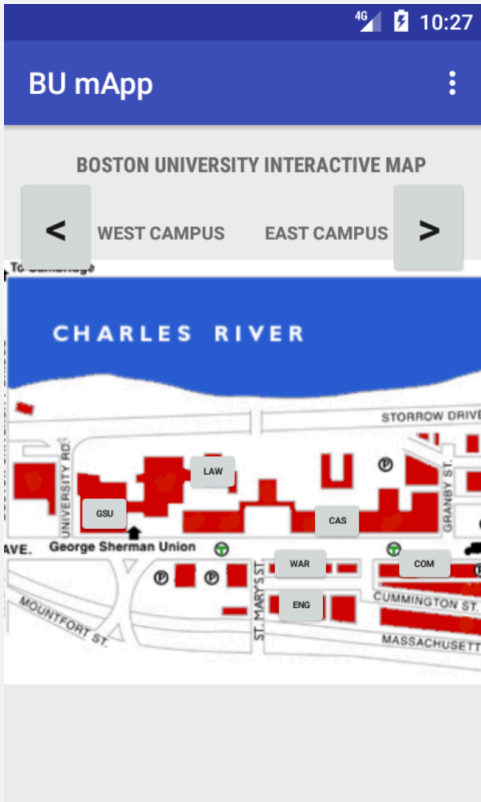

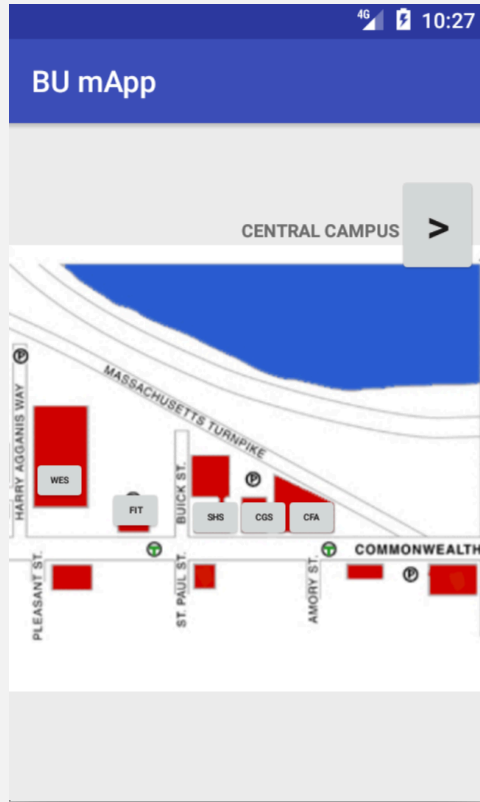

OVERVIEW

BU mApp is an interactive map of Boston University where students can have a platform to check out college information, events going on on campus, and other college information. It targets prospect, current student, or anyone who wants to know more about the university.

MAIN ACTIVITY

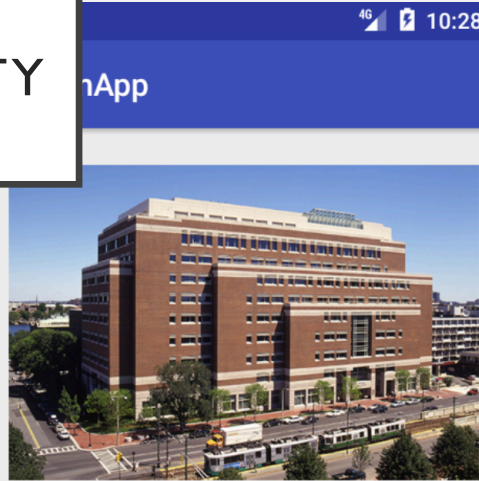

The main page is user-friendly as the app launches straight to the Central Campus map display.

An animation slides between the three parts of the campus showcasing the entire strip of the school with user friendly buttons for every landmark.

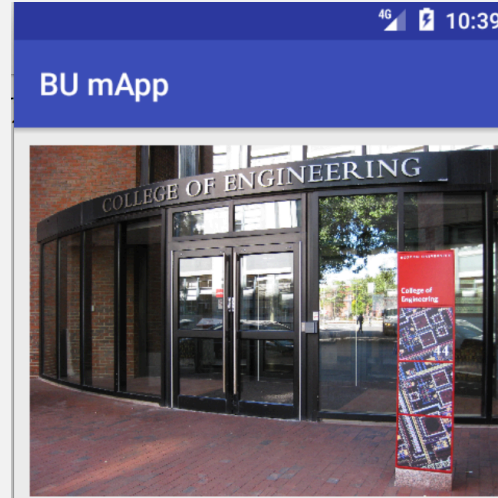

COLLEGE ACTIVITY EXAMPLES

QUESTROM EVENTS

The Questrom School of Business, formally known as the School of Management, is the business school at Boston University. It was founded in 1913 and offers a Bachelor of Science in Business Administration (BSBA), a Master of Business Administration (MBA), a Master of Science (MS), a Master of Science in Management Studies (MSMS), and two PH.D. programs. In 2015, the school received a \$50 million grant from Allen and Kristi Questrom, and the name was changed to the Questrom School of Business. The name of the building is called the Rafik B.
